Upper Arlington

- *Coach:* Mike Golden (year at school: third; career record: 154-52)

- *Last year:* 10-2, 4-1 (second in league; Division I regional semifinalist)

- *Top returnees:* TE-DE Andrew Colosimo (6-6, 250, sr.); DE-FB Mikel Berry (6-2, 244, sr.); RB Tommy Farwick (5-10, 190, jr.); G Josh Root (5-10, 230, sr.); T Travis Calkins (6-3, 230, sr.); T Brennan Kurfees (6-2, 240, sr.); NG Tommy Sauter (5-10, 225, sr.); DE Eric Clemens (5-10, 220, sr.).

- *The goods:* UA's sophomore-laden JV team went undefeated last season; thus most observers believe the Golden Bears are a year away. Golden has plenty of players (more than 100 in grades 10-12), but many of those projected to start or contribute heavily have played minimally on Friday night. Colosimo has committed to Akron.
